SUN 'N FUN, SPLASH-IN

The Splash-In portion of the Sun 'n Fun Fly-In is a two-day event and is designed especially for amphibians and seaplanes. It has become an increasingly popular and integral part of the Sun 'n Fun experience. The Splash-In portion of the Fly-In will take place this year on Thursday and Friday, April 10 and 11, at Fantasy of Flight. "The increased number of aircraft, pilots and enthusiastic spectators prompted us to look for a facility that could keep pace with the popularity of the Splash-In event. Fantasy of Flight is a wonderful solution." For the first time, they will be able to land at Fantasy of Flight and camp for the entire week. And, amphibians will be able to choose between Fantasy of Flight and on-site Sun 'n Fun camping options. All of these factors combine to make us very excited about this year's Splash-In."

Given the close proximity to Sun 'n Fun, our private airfield and great waterfront setting, Fantasy of Flight is the perfect location for this event". Housing the world's largest private collection of vintage aircraft, Fantasy of Flight is home to such water-based aircraft as a Grumman Duck, a PBY Catalina and the only airworthy Short Sunderland MK5 in the world.

Additional information on the 2008 Sun 'n Fun Fly-In, including the Splash-In, can be found on the Sun 'n Fun website: www.sun-n-fun.org. For more information, visit Fantasy of Flight online at www.fantasyofflight.com or call 863-984-3500.

USAF THUNDERBIRDS AT SUN 'N FUN

The Thunderbirds (officially named the U.S. Air Force Air Demonstration Squadron) perform precision aerial maneuvers demonstrating the capabilities of Air Force high-performance aircraft. The air demonstration is a combination of formation flying and solo routines. The "Diamond Formation" demonstrates training and precision, while the solo aircraft highlight the maximum capabilities of the F-16 "Fighting Falcon." The Thunderbirds perform approximately 30 maneuvers during their demonstration. The entire Thunderbird performance, runs about an hour and fifteen minutes. For info, go www.sun-n-fun.org or call the Sun 'n Fun offices (863-644-2431).
